Going through some of our correspondence for lost notes and the
Computer ate everything prior to the Gala Premier. I'm as not so
concerned about it but Mrs. N Helmer is. (She says you're very nice.)
So, noticing the first two or so years were gone, well I panicked and

decided the last two aught to be saved. And Special Collections
Graciously allowed for the 'possibility'. So I am leaving with them
the last two years, provisionally and conditionally posterity, That
you come and sign for them, (as you wish, on your time) if you like,
and perhaps donate the first two if you have them.

what the fuck you talking about?
